

AETNA ADVANTAGE PLANS FOR INDIVIDUALS, FAMILIES AND THE SELF-EMPLOYED

NEW PROVISIONS EFFECTIVE SEPTEMBER 23, 2010

This information is an addendum to the printed materials you received.

The federal health care reform legislation, known as the Patient Protection and Affordable Care Act, was signed into law on March 23, 2010 by President Obama.

The following health care reform changes are effective on September 23, 2010:

- Allow dependent coverage up to age 26
- Remove lifetime benefit limits – based on dollar amounts
- Take away cost-sharing obligations for preventive services (In network)
- Eliminate pre-existing condition exclusions for dependent children (under 19 years of age)

Please note that some previously printed materials do not reflect these changes. However, the new provisions **are in effect** for plans with an effective date on or after September 23, 2010, and your Aetna Advantage Plan **does comply** with the new federal health care reform legislation.

If you have any questions, please talk to your broker or call 1-800-MY-HEALTH.

Please note that in addition to health care reform changes, coverage for children only may no longer be available in your state. Also, all plans described in the printed material you received may not currently be available in your state.

Aetna Advantage Plans for Individuals, Families and the Self-Employed are underwritten by Aetna Life Insurance Company (Aetna) directly and/or through an out-of-state blanket trust or Aetna Health Inc. In some states, individuals may qualify as a business group of one and may be eligible for guaranteed issue, small group health plans. These plans are medically underwritten and you may be declined coverage in accordance with your health condition.
